

SUNYANI TECHNICAL UNIVERSITY

ADMISSIONS BROCHURE

ADMISSION OF CANDIDATES TO DEGREE/HND PROGRAMMES

Applications are invited from prospective applicants for admission into Degree/HND programmes of the Sunyani Technical University, Sunyani

DEGREE PROGRAMMES (4-YEAR)

- **Bachelor of Technology (BTech) Electrical and Electronics Engineering**

The programme targets the following group of graduates:

- SSSCE/WASSCE graduates
- General Certificate of Education (GCE)
- Technical School graduates with NABPTEX Certificate Examination (Certificate II)
- HND holders
- International or Foreign Applicants
- Electrical Technicians (Part EET II and EET Part III)
- Technical Professionals who are presently working
- Matured applicant in the field of Electrical and Electronics Engineering

Applicants seeking admission into the B.Tech Degree in the proposed Electrical and Electronics Engineering Programme must possess one of the following categories of qualifications:

a. Senior Secondary School Certificate Examination (SSCE)

Graduates with at least credit passes (A-D) in Core English, Core Mathematics, Integrated Science, Elective Mathematics, and any two of the following: Physics, Technical Drawing, Applied Electricity and Chemistry can apply.

b. West African Senior Secondary School Certificate Examination (WASSCE)

Graduates with at least credit passes (A1-C6) in Core English, Core Mathematics, Integrated Science, Elective Mathematics, and any two of the following: Physics, Technical Drawing, Applied Electricity and Chemistry can apply.

c. NABPTEX Certificate Examination (Certificate II)

Passes in all elective subjects and passes in three core subjects (English, Mathematics and Science (Integrated/ Core Science)).

d. General Certificate of Education (GCE)

Applicants who hold two (2) GCE ‘A’ level passes in Mathematics, Physics or Chemistry and a pass in General Paper, plus five (5) GCE ‘O’ level credits in English Language, Mathematics, Additional Mathematics, Physics and General Science or Chemistry can apply.

e. HND applicants

Holders of HND Electrical and Electronics Engineering with at least Second-Class Lower Division in a relevant field will join the programme at Level 300 (third year).

f. Technician Certificate

Applicants must have acquired Part 3 or part 2 in Electrical and Electronics certificate of London City & Ghana Education Service (Technical Examination Unit) and the applicants must have acquired a one-year post EET III or two-year post EET II qualification working experience in a recognized civil engineering firm or related industry at the time of submitting the application forms. EET III and EET II applicants must undergo a one semester and two semesters bridging programme respectively, that covers all the prevailing first-year courses of the HND in Electrical and Electronics Engineering and pass all the bridging courses with an average score of at least 50%. After successful completion of the bridge programme, applicants will start at level 300 after the bridging programme.

g. Mature applicants

- Applicants who are 25 years or above (and show proof of age with a birth certificate or any legitimate documentary proof of date of birth, which is at least five (5) years old at the time of application) with a minimum of two (2) years working experience in a relevant power, telecommunication and allied engineering field can apply.

- Applicants who are 25 years or above (and show proof of age with a birth certificate or any legitimate documentary proof of date of birth, which is at least five (5) year old at the time of application) with a minimum of 2 years work

experience in a relevant power, telecommunication and allied engineering field, plus a certificate in any of the following programmes can apply:

- i. Electrical Installation Work (Old Scheme)
- ii. Electrical Works NVTI (Grade I and II)
- iii. Electrical Works (TVET)
- iv. Electrical Installation Works (City and Guilds of London)

Additionally, a pass in a written examination and a selection interview to be conducted by the university is required to determine the acceptance of a mature applicant.

h. Foreign Applicants

- **Required subjects for Sciences:** English, Mathematics, Biology/Agriculture, Physics and Chemistry, Further Mathematics and a pass in one arts subject. At least passes with equivalencies of WASSCE or SSSCE shall be required.
- **Other Qualifications:** Other qualifications acceptable for consideration for admission include International Baccalaureate (IB), IGCSE, GCSE, American Grade 13 examinations and other external qualifications, which have equivalences to the WASSCE/SSSCE and the GCE (A Levels).

International students whose first language is not English are required to have one of the following English Language qualifications before they can register on the programme:

- IELTS 6.0 (no less than 5.0 in any element)
- TOEFL paper-based 550 (no less than 4.0 in TWE)
- TOEFL IBT 79 (no less than 17 in any element)

However, applicants from English speaking countries may have these requirements waived.

The equivalencies of such foreign qualifications will always have to be determined and certified by the National Accreditation Board (NAB).

- **Bachelor of Technology (BTech) Fashion Design Technology**

Entry Requirements

1. Senior Secondary School Certificate Examinations (SSSCE) and West Africa Senior Secondary School Certificate in Visual Art and Home Economics options.

The Requirement for admission of WASSCE, SSSCE in Visual Art and Home Economics options candidate to the Fashion Design programme is three (3) credits passes in core subjects and three credits in relevant elective passes.

i. SSSCE Candidates: Credit passes (A-D) in six subjects comprising three core subjects including English Language and Mathematics, plus three (3) relevant elective subjects.

ii. WASSCE Candidates: Credit or better (A1-C6) in six subjects comprising three core subjects including Core English, Core Mathematics, Integrated Science or Social Studies plus three of the following subjects: Clothing and Textiles, Textiles, Management in Living, Leather Work, Picture Making, Graphic Design and General Knowledge in Art.

2. General Certificate of Education (GCE) Advanced Level Candidates

Passes in three (3) subjects including Art (at least, one of the passes should be Grade D or better). Also, the applicant must have had credit passes (Grade 6) including Art, English Language, Mathematics and three (3) GCE Ordinary Level subjects with three credit or better in the following subject: Clothing and Textiles, Textiles, Management in Living, Leather Work, Picture Making, Graphic Design and General Knowledge in Art.

1. Science and Technology Programmes

i. SSSCE Candidates: Passes (A-D) in six (6) subjects comprising three core subjects. English Language, Integrated Science and Mathematics, plus three (3) relevant elective subjects.

ii. WASSCE Candidates: Credit Passes (A1-C6) in six (6) subjects comprising three (3) core subjects; English Language, Integrated Science and Mathematics, plus three (3) elective subjects.

2. Arts, Business and Humanities Programmes

i. SSSCE Candidates: Passes (A-D) in six (6) subjects comprising three core subjects, including English Language and Mathematics, plus two (2) elective subjects.

ii. WASSCE Candidates: Credit Passes (A1-C6) in six (6) subjects comprising three core subjects, including English Language and Mathematics, plus three (3) elective subjects

iii. GBCE Candidates: Credit Passes (A-D) in six (6) subjects comprising three (3) core subjects including English Language and Mathematics plus three (3) relevant elective subjects

3. Admission of Higher National Diploma (HND) Candidates to the B-Tech Fashion Design Programme.

Applicant must have graduated with a good HND certificate (i.e. at least 2nd Class Lower Division) in Fashion Design Technology or its equivalent. Applicants with a Pass will be assessed before admitting such applicants into the Programme.

Other Diploma qualifications from elsewhere assessed to be equivalent to HND Fashion Design may be similarly considered.

4. Advanced Fashion and Textiles Certificate Examination (AFTCE) Candidates.

Also, the applicant must have had credit passes in five (5) subjects including English Language, Mathematics, Integrated Science or Social Studies in their Senior Secondary School Certificate Examination (SSSCE) or West African Senior Secondary School Certificate Examinations (WASSCE) plus three of the following subjects: Clothing and Textiles, Textiles, Management in Living, Leather Work, Picture Making, Graphic Design and General Knowledge in Art. AFTCE candidates may be considered for admission to level 200 of the degree programme.

5. Advanced Fashion and Designing Cotvet.

Applicant must have had passes in six (6) subjects including English Language, Mathematics, Integrated Science or Social Studies in their final examination Certificate plus three of the following subjects: Clothing and Textiles, Textiles, Garment Construction, Pattern Drawing or Pattern Drafting, Dress Design, with practical/project.

6. Mature Students Entry

Mature students entry avenues to tertiary education provide opportunities for people who could not do so earlier in their lives to further their education at the tertiary level after some years in the workplace.

- i. The applicant must be at least 25 years old, and show proof of age with birth certificate or any legitimate documentary proof of date of birth which is at least 25 years old at the time of application;
- ii. For admission into the degree programme, applicant must pass Mature Students' Entrance Examinations conducted by the Sunyani Technical University (English Language, Mathematics and Aptitude Test);
- iii. In lieu of such examinations, the applicant should show proof of credit passes in English Language and Mathematics in WASSCE or any other nationally recognised standard High School Level examinations (for qualifications from countries outside WAEC's aegis).

C. PROFESSIONAL AND OTHER ENTRY QUALIFICATIONS

All professional certificates and any other qualifications beyond the ones specified above will be referred to the National Accreditation Board for the establishment of their equivalencies, to determine their eligibility for admission to the B-Tech Fashion Design programme.

D. FOREIGN QUALIFICATION

All foreign qualifications shall be referred to the National Accreditation Board (NAB) for determination of equivalences and eligibility for admission to the Fashion Design programme.

- **Bachelor of Technology (BTech) Electrical and Electronics Engineering**

The programme targets the following group of graduates:

- SSSCE/WASSCE graduates
- General Certificate of Education (GCE)
- Technical School graduates with NABPTEX Certificate Examination (Certificate II)
- HND holders
- International or Foreign Applicants
- Electrical Technicians (Part EET II and EET Part III)
- Technical Professionals who are presently working
- Matured applicant in the field of Electrical and Electronics Engineering

Applicants seeking admission into the B.Tech Degree in the proposed Electrical and Electronics Engineering Programme must possess one of the following categories of qualifications:

i. Senior Secondary School Certificate Examination (SSCE)

Graduates with at least credit passes (A-D) in Core English, Core Mathematics, Integrated Science, Elective Mathematics, and any two of the following: Physics, Technical Drawing, Applied Electricity and Chemistry can apply.

j. West African Senior Secondary School Certificate Examination (WASSCE)

Graduates with at least credit passes (A1-C6) in Core English, Core Mathematics, Integrated Science, Elective Mathematics, and any two of the following: Physics, Technical Drawing, Applied Electricity and Chemistry can apply.

k. NABPTEX Certificate Examination (Certificate II)

Passes in all elective subjects and passes in three core subjects (English, Mathematics and Science (Integrated/ Core Science)).

l. General Certificate of Education (GCE)

Applicants who hold two (2) GCE ‘A’ level passes in Mathematics, Physics or Chemistry and a pass in General Paper, plus five (5) GCE ‘O’ level credits in English Language, Mathematics, Additional Mathematics, Physics and General Science or Chemistry can apply.

m. HND applicants

Holders of HND Electrical and Electronics Engineering with at least Second-Class Lower Division in a relevant field will join the programme at Level 300 (third year).

n. Technician Certificate

Applicants must have acquired Part 3 or part 2 in Electrical and Electronics certificate of London City & Ghana Education Service (Technical Examination Unit) and the applicants must have acquired a one-year post EET III or two-year post EET II qualification working experience in a recognized civil engineering firm or related industry at the time of submitting the application forms. EET III and EET II applicants must undergo a one semester and two semesters bridging programme respectively, that covers all the prevailing first-year courses of the HND in Electrical and Electronics Engineering and pass all the bridging courses with an average score of at least 50%. After successful completion of the bridge programme, applicants will start at level 300 after the bridging programme.

o. Mature applicants

- Applicants who are 25 years or above (and show proof of age with a birth certificate or any legitimate documentary proof of date of birth, which is at least five (5) years old at the time of application) with a minimum of two (2) years working experience in a relevant power, telecommunication and allied engineering field can apply.
- Applicants who are 25 years or above (and show proof of age with a birth certificate or any legitimate documentary proof of date of birth, which is at least five (5) year old at the time of application) with a minimum of 2 years work experience in a relevant power, telecommunication and allied engineering field, plus a certificate in any of the following programmes can apply:
 - v. Electrical Installation Work (Old Scheme)
 - vi. Electrical Works NVTI (Grade I and II)
 - vii. Electrical Works (TVET)
 - viii. Electrical Installation Works (City and Guilds of London)

Additionally, a pass in a written examination and a selection interview to be conducted by the university is required to determine the acceptance of a mature applicant.

p. Foreign Applicants

- **Required subjects for Sciences:** English, Mathematics, Biology/Agriculture, Physics and Chemistry, Further Mathematics and a pass in one arts subject. At least passes with equivalencies of WASSCE or SSSCE shall be required.

- **Other Qualifications:** Other qualifications acceptable for consideration for admission include International Baccalaureate (IB), IGCSE, GCSE, American Grade13 examinations and other external qualifications, which have equivalences to the WASSCE/SSSCE and the GCE (A Levels).

International students whose first language is not English are required to have one of the following English Language qualifications before they can register on the programme:

- IELTS 6.0 (no less than 5.0 in any element)
- TOEFL paper-based 550 (no less than 4.0 in TWE)
- TOEFL IBT 79 (no less than 17 in any element)

However, applicants from English speaking countries may have these requirements waived.

The equivalencies of such foreign qualifications will always have to be determined and certified by the National Accreditation Board (NAB).

- **Bachelor of Technology (BTech) Civil Engineering**

Entry Requirement

The programme targets the following group of graduates:

- SSSCE/WASSCE graduates
- General Certificate of Education (GCE)
- Technical School graduates with NABPTEX Certificate Examination (Certificate II)
- HND holders
- International or Foreign Applicants
- Construction Technicians (CTC Part II and Part III)
- Technical Professionals who are presently working
- Matured applicant in the field of Civil Engineering

Admission Requirements

Applicants seeking admission to the B. Tech Degree in Civil Engineering Programme must possess one of the following categories of qualifications:

- q. Senior Secondary School Certificate Examination (SSSCE)**
- i. At least credit passes (A – D) in English, Mathematics and Science (Integrated/ Core Science)

- ii. Also, at least credit passes (A – D) in any three of the following elective subjects: Engineering Science, Physics, Chemistry, Mathematics, Geography and Technical Drawing. The cumulative aggregate must be 24 or better.

r. West African Senior Secondary School Certificate Examination (WASSCE)

- i. At least credit passes (A1 – C6) in English, Mathematics and Science (Integrated/ Core Science) in addition to
- ii. At least credit passes (A1 – C6) in any three of the following elective subjects: Engineering Science, Physics, Chemistry, Mathematics, and Technical Drawing. The cumulative aggregate must be 36 or better.

s. NABPTEX Certificate Examination (Certificate II)

Passes in all elective subjects and passes in three core subjects (English, Mathematics and Science (Integrated/ Core Science))

t. General Certificate of Education (GCE)

- i. Advanced Level: Passes in two subjects in Mathematics, Physics or Chemistry.
- ii. Five credit passes at 'O' Level including English and Mathematics, and Technical Drawing.

u. HND applicants

Applicants with HND in Civil Engineering (second class lower or better) will start at level 300.

v. Technician Certificate

Applicants must have acquired Part 3 or part 2 in Construction certificate of London City & Guilds/Ghana Education Service and the applicants must have acquired a one-year post CTC III or two-year post CTC II qualification working experience in a recognized civil engineering firm or related industry at the time of submitting the application forms. CTC III and CTC II applicants must undergo a one semester and two semesters bridging programme respectively, that covers all the prevailing first-year courses of the HND in Civil Engineering and pass all the bridging courses with an average score of at least 50%. After successful completion of the bridge programme, applicants will start at level 300 after the bridging programme.

w. Mature applicants

Applicants may be considered on mature student's status if they satisfy the following three criteria:

- i. Passes in Construction Technician Part II

OR

Passes (GCE 'O' Level, SSSCE or WASSCE) in any two of the following:

Physics, Mathematics, Chemistry, and Technical Drawing,

- ii. Must be at least 25 years old and show proof of age with a birth certificate or any legitimate documentary proof of date of birth, which is at least five (5) years old at the time of application.
- iii. Must have at least two years' experience in a related field.

x. Foreign Applicants

- **Required subjects for Sciences:** English, Mathematics, Biology/Agriculture, Physics and Chemistry, Further Mathematics and a pass in one arts subject. Passes with equivalencies of WASSCE or SSSCE shall be required.
- **Other Qualifications:** Other qualifications acceptable for consideration for admission include International Baccalaureate (IB), IGCSE, GCSE, American Grade 13 examinations and other external qualifications, which have equivalencies to the WASSCE/SSSCE and the GCE (A Levels).

International students whose first language is not English are required to have one of the following English Language qualifications before they can register on the programme:

- IELTS 6.0 (no less than 5.0 in any element)
- TOEFL paper-based 550 (no less than 4.0 in TWE)
- TOEFL IBT 79 (no less than 17 in any element)

However, applicants from English speaking countries may have these requirements waived.

The equivalencies of such foreign qualifications will always have to be determined and certified by the National Accreditation Board (NAB).

NOTE

- All qualified applicants are expected to start the programme in the first year except for applicants with HND, CTC 3 or CTC 2 who will start at level 300 or 200 respectively, as the case may apply.

- **Bachelor of Technology (BTech) Mechanical Engineering**

The programme targets the following group of graduates:

- SSSCE/WASSCE graduates
- General Certificate of Education (GCE)
- Technical School graduates with NABPTEX Certificate Examination (Certificate II)
- HND holders
- Matured Applicants
- Construction Technicians (CTC Part II and Part III)
- International or Foreign Applicants

For admission into the programme, the following are required:

a. West African Senior Secondary School Certificate Examination (WASSCE) Applicants

- iii. At least credit passes (A1 – C6) in English, Mathematics and Integrated Science.
- iv. At least credit passes (A1 – C6) in any three of the following elective subjects: Engineering Science, Physics, Chemistry, Mathematics, Metalwork, Auto Mechanics and Technical Drawing. The cumulative aggregate must be 36 or better.

b. Senior Secondary School Certificate Examination (SSSCE) Applicants

- iii. At least credit passes (A – D) in English, Mathematics and Science (Integrated or Core Science)
- iv. At least passes (A – D) in any three of the following elective subjects: Engineering Science, Physics, Chemistry, Mathematics, Metalwork, Auto Mechanics and Technical Drawing. The cumulative aggregate must be 24 or better.

c. NABPTEX Certificate Examination (Certificate II)

Passes in all elective subjects and passes in three core subjects (English, Mathematics and Science (Integrated/ Core Science)).

d. General Certificate Examination (GCE) Applicants

- iii. Advanced Level: Passes in two subjects in Mathematics, Physics or Chemistry.
- iv. Five credit passes at 'O' Level including English and Mathematics, Technical Drawing, Auto Mechanics and Metalwork.

e. HND Applicants

- i. Applicants with HND in Mechanical Engineering will start at level 300.

f. Technician Certificate

Applicants must have acquired Part 3 or part 2 in Technician certificate of London City & Guilds/Ghana Education Service and the applicants must have acquired a one-year post MET III or two-year post MET II qualification working experience in a recognized Mechanical Engineering firm or related industry at the time of submitting the application forms. MET III and MET II applicants must undergo a one semester and two semesters bridging programme respectively, that covers all the prevailing first-year courses of the HND in Mechanical Engineering and pass all the bridging courses with an average score of at least 50%. After successful completion of the bridge programme, applicants will start at level 300 after the bridging programme.

g. Mature applicants

Applicants may be considered on mature student status if they satisfy the following three criteria:

- iv. Passes at Technician Part III

OR

Passes (GCE 'O' Level, SSCE or WASSCE) in any two of the following:

Physics, Mathematics, Technical Drawing, etc

- v. Must be at least 25 years old and show proof of age with a birth certificate or any legitimate documentary proof of date of birth, which is at least five (5) years old at the time of application.
- vi. Must have at least two (2) years working experience in a mechanical, electrical and computer engineering fields or related field.

h. Foreign Applicants

- **Required subjects for Sciences:** English, Mathematics, Science, Physics and Chemistry, Further Mathematics and a pass in one arts subject.

i. Other Qualifications:

Other qualifications acceptable for consideration for admission include International Baccalaureate (IB), IGCSE, GCSE, American Grade13 examinations and other external qualifications which have equivalences to the WASSCE/SSSCE and the GCE (A Levels).

International students whose first language is not English are required to have one of the following English Language qualifications before they can register on the programme:

- IELTS 6.0 (no less than 5.0 in any element)
- TOEFL paper-based 550 (no less than 4.0 in TWE)
- TOEFL IBT 79 (no less than 17 in any element)

However, applicants from English speaking countries may have these requirements waived. The equivalencies of such foreign qualifications will always have to be determined and certified by the National Accreditation Board (NAB).

Bachelor of Technology (BTech) Construction Technology

The programme targets the following group of graduates:

- SSSCE/WASSCE graduates
- General Certificate of Education (GCE)
- Technical School graduates with NABPTEX Certificate Examination (Certificate II)
- HND holders
- Matured Applicants
- Construction Technicians (CTC Part II and Part III)
- International or Foreign Applicants

For admission into the programme, the following are required:

a) Senior High School Certificate Holders:

- v. At least credit passes (A – D) in English, Mathematics and Science (Integrated/ Core Science)
- vi. At least credit passes (A – D) in any three of the following elective subjects: Engineering Science, Physics, Chemistry, Mathematics, Geography and Technical Drawing, Physics, Chemistry, Biology, Building construction, Woodwork, Metalwork, Applied Electricity, Metalwork. The cumulative aggregate must be 24 or better.

b) West African Senior Secondary School Certificate Examination (WASSCE)

- v. At least credit passes (A1 – C6) in English, Mathematics and Science (Integrated/ Core Science) in addition to
- vi. At least credit passes (A1 – C6) in any three of the following elective subjects: Economics, Geography, Elective Maths, Technical Drawing, Physics, Chemistry, Biology, Building construction, Woodwork, Metalwork, Applied Electricity, Metalwork. The cumulative aggregate must be 36 or better.
- vii. COTVET Certificate Holders: Three passes in core subjects including Maths, English, Integrated Science and three passes in the Technical subjects (Construction practice, Construction materials and processes, Practical and/or Technical drawing).

General Certificate of Education (GCE) ‘O’ and ‘A’ Level Certificate Holders:

Advanced level applicants must have passes in three (3) subjects (at least one of the passes should be grade D or better). Also, the applicant must have had credit passes (at least Grade 6) in five (5) GCE Ordinary Level subjects including English Language, Mathematics and a Science subject or General Science (for non-science students) and an Arts subject (for Science students).

Higher National Diploma (HND) Holders:

Candidates with HND in Building Technology certificate and similar construction related certificates at the same level with HND will join at level 300.

Mature Students:

Applicants may be considered on mature student’s status if they satisfy the following three criteria:

- vii. Passes in Construction Technician Part II

OR

Passes (GCE ‘O’ Level, SSSCE or WASSCE) in any two of the following:

Physics, Core Mathematics, Chemistry, and Technical Drawing, Elective Mathematics

- viii. Must be at least 25 years old and show proof of age with a birth certificate or any legitimate documentary proof of date of birth, which is at least five (5) years old at the time of application.
- ix. Must have at least two years' experience in a related field.
- x. They must pass an entrance examination and/or interview organised by the University.

Construction Technician Certificate (CTC) Holders:

Candidate with construction technician final certificate (CTC II old scheme and CTC III) will join at level 300 upon passing an entrance examination and/or interview organized by the University.

CTC II certificate holders will join at level 200 upon passing an entrance examination and/or interview by the University.

Other certificate holders like CTC I, Advanced in construction related certificates holders will be admitted to level 100 upon passing an entrance examination and/or interview by the University.

Foreign qualifications:

- **Required subjects for Sciences:** English, Mathematics, Biology/Agriculture, Physics and Chemistry, Further Mathematics and a pass in one arts subject. Passes with equivalencies of WASSCE or SSSCE shall be required.
- **Other Qualifications:** Other qualifications acceptable for consideration for admission include International Baccalaureate (IB), IGCSE, GCSE, American Grade13 examinations and other external qualifications, which have equivalences to the WASSCE/SSSCE and the GCE (A Levels).

International students whose first language is not English are required to have one of the following English Language qualifications before they can register on the programme:

- IELTS 6.0 (no less than 5.0 in any element)
- TOEFL paper-based 550 (no less than 4.0 in TWE)
- TOEFL IBT 79 (no less than 17 in any element)

However, applicants from English speaking countries may have these requirements waived.

The equivalencies of such foreign qualifications will always have to be determined and certified by the National Accreditation Board (NAB).

BACHELOR OF TECHNOLOGY (BTech) AGRICULTURE

The programme targets the following groups of graduates:

- SSSCE/WASSCE graduates
- General Certificate of Education (GCE)
- HND holders
- Matured Applicants
- International or Foreign Applicants

For admission into the programme, the following are required:

1. **WASSCE:** Applicants for the B-Tech in Agriculture programme with credit passes (grade C6 or better) in three (3) WASSCE Core Subjects (English Language, Mathematics and Integrated Science), and credit passes (grade C6 or better) in 3 WASSCE elective subjects (Biology, Chemistry, Physics, Elective Mathematics, Horticulture, Agriculture Extension, General Agriculture and Animal Husbandry) with an aggregate of 36 or better would be admitted to first year.
2. **SSSCE Applicants:** Applicants with credit passes (grade D or better) in three (3) SSSCE Core Subjects (English Language, Mathematics and Integrated Science), and credit passes (grade D or better) in 3 SSSCE elective subjects (Biology, Chemistry, Physics, Elective Mathematics, Horticulture, Agriculture Extension, General Agriculture and Animal Husbandry) with an aggregate of 24 or better would be admitted to first year.
3. **GCE Applicants:** Applicants
 - a) should have six (6) Ordinary Level Certificate passes including Mathematics, English and a science subject
 - b) three (3) Advanced Level Certificate passes including Biology, Chemistry, physics, Mathematics, Agriculture and General knowledge in Art.

4. HND Applicants:

HND holders in Agriculture or other equivalent certificate in related programmes with a minimum of a Second-Class Lower Division would be admitted to third year. Other applicants with equivalent certificate in related programmes (especially from the various Agricultural Colleges) would be admitted to appropriate level of the programme after passing a written examination and interview.

5. Matured Applicants: Applicants

- a. Must be at least 25 years old
- b. Must have at least 2 years relevant industrial experience
- c. Must pass a written examination and an interview

d. Must show proof of date of birth with any national document which is at least 5 years old at the time of application.

OR

i. Must be at least 25 years old.

ii. Must have at least two (2) years relevant industrial experience.

iii. Must show proof of five (5) passes in SSSCE/WASSCE including credit passes in English Language and Mathematics (such applications would be exempted from mature entrance examinations).

iv. Must show proof of date of birth with any national document which is at least 5 years old at the time of application.

6. International Applicants

Applicants with International certificates from accredited/recognized institutions with equivalent qualifications (to be determined by NAB) will be admitted to appropriate levels in the programme. Such applicants with qualification up to the SHS level or its equivalent, must also possess a proficiency certificate in English.

BACHELOR OF TECHNOLOGY (BTech) AGRICULTURAL ENGINEERING

The programme targets the following group of graduates:

- SSSCE/WASSCE graduates
- General Certificate of Education (GCE)
- Technical School graduates with NABPTEX Certificate Examination (Certificate II)
- HND holders
- Matured Applicants
- Construction Technicians (CTC Part II and Part III)
- International or Foreign Applicants

For admission into the programme, the following are required:

a. West African Senior Secondary School Certificate Examination (WASSCE) Applicants

- i. At least credit passes (A1 – C6) in English, Mathematics and Integrated Science.
- ii. At least credit passes (A1 – C6) in any three of the following elective subjects: Engineering Science, Physics, Chemistry, Mathematics, Metalwork, Auto Mechanics and Technical Drawing. The cumulative aggregate must be 36 or better.

b. Senior Secondary School Certificate Examination (SSCE) Applicants

- i. At least credit passes (A – D) in English, Mathematics and Science (Integrated or Core Science)
- ii. At least passes (A – D) in any three of the following elective subjects: Engineering Science, Physics, Chemistry, Mathematics, Metalwork, Auto Mechanics and Technical Drawing. The cumulative aggregate must be 24 or better.

c. NABPTEX Certificate Examination (Certificate II)

Passes in all elective subjects and passes in three core subjects (English, Mathematics and Science (Integrated/ Core Science)).

d. General Certificate Examination (GCE) Applicants

- v. Advanced Level: Passes in two subjects in Mathematics, Physics or Chemistry.
- vi. Five credit passes at ‘O’ Level including English and Mathematics, Technical Drawing, Auto Mechanics and Metalwork.

e. HND Applicants

- ii. Applicants with HND in Mechanical Engineering and Agricultural Engineering will start at level 300.

f. Technician Certificate

Applicants must have acquired Part 3 or part 2 in Technician certificate of London City & Guilds/Ghana Education Service and the applicants must have acquired a one-year post MET III or two-year post MET II qualification working experience in a recognized Mechanical Engineering firm or related industry at the time of submitting the application forms. MET III and MET II applicants must undergo a one semester and two semesters bridging programme respectively, that covers all the prevailing first-year courses of the HND in Mechanical and Agricultural Engineering and pass all the bridging courses with an average score of at least 50%. After successful completion of the bridge programme, applicants will start at level 300 after the bridging programme.

g. Mature applicants

Applicants may be considered on mature student status if they satisfy the following three criteria:

- iii. Passes at Technician Part III

OR

Passes (GCE 'O' Level, SSCE or WASSCE) in any two of the following:

Physics, Mathematics, Technical Drawing, etc

- iv. Must be at least 25 years old.
- v. Must have at least two (2) years working experience in a mechanical, electrical and computer engineering fields or related field.

h. Foreign Applicants

- **Required subjects for Sciences:** English, Mathematics, Science, Physics and Chemistry, Further Mathematics and a pass in one arts subject.

i. Other Qualifications:

Other qualifications acceptable for consideration for admission include International Baccalaureate (IB), IGCSE, GCSE, American Grade13 examinations and other external qualifications which have equivalences to the WASSCE/SSSCE and the GCE (A Levels).

International students whose first language is not English are required to have one of the following English Language qualifications before they can register on the programme:

- IELTS 6.0 (no less than 5.0 in any element)
- TOEFL paper-based 550 (no less than 4.0 in TWE)
- TOEFL IBT 79 (no less than 17 in any element)

However, applicants from English speaking countries may have these requirements waived. The equivalencies of such foreign qualifications will always have to be determined and certified by the National Accreditation Board (NAB).

NOTE

- Applicants with a strong background in Mathematics and Physics would be admitted.

BACHELOR OF TECHNOLOGY (BTech) HOSPITALITY AND TOURISM MANAGEMENT

The programme targets the following groups of graduates:

- SSSCE/WASSCE graduates
- Technical School graduates with NABPTEX Certificate Examination (Certificate II)
- General Certificate of Education (GCE)
- HND holders
- Matured Applicants

- Construction Technicians (CTC Part II and Part III)
- International or Foreign Applicants

For admission into the programme, the following are required:

4. **WASSCE:** Applicants for the B-Tech in Hospitality and Tourism Management programme with credit passes (grade C6 or better) in three (3) WASSCE Core Subjects (English Language, Mathematics and Integrated Science), and credit passes (grade C6 or better) in 3 WASSCE elective subjects (Economics, Government, Christian Religious Studies, French, Elective Mathematics, Geography, History, General knowledge in Art, Chemistry, Biology and Food and Nutrition) with an aggregate of 36 or better would be admitted to the first year.
5. **SSSCE Applicants:** Applicants with credit passes (grade D or better) in three (3) SSSCE Core Subjects (English Language, Mathematics and Integrated Science), and credit passes (grade D or better) in 3 SSSCE elective subjects (Economics, Government, Christian Religious Studies, French, Elective Mathematics, Geography, History, General knowledge in Art, Chemistry, Biology and Food and Nutrition) with an aggregate of 24 or better would be admitted to the first year.
6. **Certificate II Applicants:** Holders of Catering with 3 passes in core subjects (including English, Mathematics, Integrated Science) and three (3) passes in the elective subjects (including Principles of Catering, Food Production Technology and Practicals/Projects) would be admitted to the first year.
7. **GCE Applicants:** Applicants
 - a) should have six (6) Ordinary Level Certificate passes including Mathematics, English and a science subject
 - b) three (3) Advanced Level Certificate passes including Biology, Economics, Geography, History, Agricultural Science, Chemistry and General knowledge in Art.

8. HND Applicants:

HND holders in Hospitality and Tourism related programmes with a minimum of a Second-Class Lower Division would be admitted to the third year. Degree holders from related programmes shall be interviewed before being considered for admission.

Holders of Cookery for the Catering Industry Parts I and II with English, Mathematics and Science would be admitted to the first year.

9. Matured Applicants: Applicants

- a. Must be at least 25 years old
- b. Must have at least 2 years relevant industrial experience
- c. Must pass a written examination and an interview
- d. Must show proof of date of birth with any national document which is at least 5 years old at the time of application.

OR

- i. Must be at least 25 years old.
- ii. Must have at least two (2) years relevant industrial experience.
- iii. Must show proof of five (5) passes in SSSCE/WASSCE including credit passes in English Language and Mathematics (such applications would be exempted from mature entrance examinations).
- iv. Must show proof of date of birth with any national document which is at least 5 years old at the time of application.

10. International Applicants

Applicants with International certificates from accredited/recognized institutions with equivalent qualifications (to be determined by NAB) would be admitted to appropriate levels in the programme. Such applicants with a qualification up to the SHS level or its equivalent must also possess a proficiency certificate in English.

DEGREE PROGRAMMES (TOP-UP)

- **Bachelor of Technology (B-Tech) Degree in Building Technology (Regular and Weekend) (18 months top-up)**

Entry Requirements

- Applicants must hold a good HND (Second Class Upper Division or Better) in Building Technology or allied programmes with at least two years relevant post HND qualification experience. Applicants with HND Second Class Lower Division must pass a selection interview before they could be considered. The programme duration is 18 months consisting of 3 semesters.
- To be eligible for admission to the Pre-B-Tech programme, candidates are required to have one of the following qualification:
 - i. CTCIII Certificate Part III (CTCIII – New Scheme)
 - or ii. CTCIII Certificate Part III (CTCII – Old Scheme).

- **Bachelor of Technology (B-Tech) Degree in Accounting Technology (Regular and Weekend) (2 years top-up)**

Entry Requirements

a. HND Accountancy Applicants

Holders of HND Accountancy Certificate

b. ACCA and ICA Applicants

Applicants with 7 passes or more papers of ICAG, ACCA, CIMA or equivalents

c. Advanced Diploma in Computerised Accounting

Holders of Professional Diploma in Computerised Accounting with credit passes (SSSCE A- D), WASSCE (A1 C6) in the three core papers of English Language, Core Mathematics and Social

Studies/Integrated Science or Equivalent from a recognized Tertiary Institution

d. First Degree

Applicants holding NAB Accredited degrees will be interviewed. The programme duration is

18 months consisting of 3 semesters.

- **Bachelor of Technology (B-Tech) Degree in Procurement and Supply Chain Management (Regular and Weekend) (2 years top-up)**

Entry Requirements

A candidate must have an HND with second class division or better and satisfy all conditions that the Technical University will require.

- a. A candidate must have an HND in Purchasing and Supply, Procurement Supply Chain Management, Logistics, Freight Forwarding, Stores Management, etc.; or its equivalent.
 - b. Applicants with Diploma in Procurement & Supply from the Chartered Institute of Purchasing & Supply (CIPS UK) qualification may apply.
 - c. HND Graduates from other fields or disciplines with a qualification not lower than a minimum of 2nd Class Lower Division with at least five (5) years working experience in procurement related fields.
 - d. First degree graduates from other fields or discipline may apply.
- **Bachelor of Technology (B-Tech) Degree in Hospitality Management (Regular and Weekend) (2 years top-up)**

Entry Requirements

HND graduates of Hospitality management and students transferring from similar Programmes run at other institutions with a minimum of 2nd Class Lower and must have had two years working experience, qualify to apply. Admission would be based on an interview performance. Additionally, HND Hospitality graduates who are 30 years and above but do not satisfy the above class requirements may also apply.

- **Bachelor of Technology (B-Tech) Degree in Civil Engineering (Regular and Weekend) (2 years top-up)**

Entry Requirements

The entry requirements for the programme is an HND (Civil Engineering) certificate or allied programmes and a minimum of two years industrial experience. Preference would be given to first and second class upper holders.

- First degree graduates from other fields or discipline may apply.
- **Bachelor of Technology (B-Tech) Degree in Management and Entrepreneurial Studies (Regular and Weekend) (2 years top-up)**

Entry Requirements

i) Applicants must have qualification in HND Secretaryship and Management Studies, Purchasing and Supply, Accountancy or Marketing as well as students transferring from similar programmes run at other institutions with accreditation/recognition and with a minimum qualification of Second (2nd) Class Lower Division plus at least two (2) years relevant post qualification experience in the relevant field.

OR

HND Secretaryship and Management Studies, Purchasing and Supply, Accountancy, and Marketing graduates possessing lower than the minimum Second (2nd) Class Division

requirement as indicated above, but have worked in relevant fields for a minimum of two (2) years may apply.

Applicants in this category will be admitted based on interview performance.

OR

Other HND graduates possessing lower than the minimum Second (2nd) Class Division requirement as indicated above, but have worked in relevant fields for a minimum of two (2) years may apply. Applicants in this category will be admitted based on interview performance.

• Bachelor of Technology (B-Tech) Degree in Marketing Management (Regular and Weekend) (2 years top-up)

Entry Requirements

- i. Graduates of Higher National Diploma in Marketing and students transferring from similar programmes ran at other accredited/recognized institution with a minimum of second class lower division plus at least one (1) year working experience/ first degree from any recognized institution
- ii. HND graduates from other fields or disciplines with a Qualification lower than the minimum second class lower but have worked in relevant fields for at least one year

• Bachelor of Technology (B-Tech) Degree in Electrical/Electronic Engineering (Regular and Weekend) (2 years top-up)

Entry Requirements

- (i) The B-Tech degree programme is a top-up programme designed for holders of the Higher National Diploma (HND) Certificate in Electrical and Electronic Engineering or related field. To be eligible for the B-Tech in Electrical/ Electronic Engineering programme, candidates must hold a good HND certificate (Second Class Upper Division or better) with two years relevant post-qualification experience. Candidates with second class lower division must pass a selection interview to be conducted by the Technical University in addition to two years post qualification experience in a relevant field.
- (ii) Electrical Technicians Course Part III or Part II old scheme holders with four (4) or three (3) credit passes including Electrical Principle, Electrical Regulations, Electrical Practical and Electrical Drawing plus four (4) G. C. E 'O' Level passes (English, Mathematics) and any other two subject

OR

- (iii) Final Electrical Technicians Course as stated above plus two (2) or more credit passes of SSCE/WASSCE (SHS) (English and Mathematics).

Applicants admitted based on entry requirements (ii and ii) are supposed to go through some bridging course or Pre - BTech programme organized by the department and pass the stipulated courses before enrolled fully on the BTech programme.

• **Bachelor of Technology (B-Tech) Degree in Mechanical Engineering (Regular and Weekend)**

(2 years top-up)

Entry Requirements

- (i) The B. Tech degree programme is a top-up programme designed for holders of the Higher National Diploma (HND) Certificate in Mechanical Engineering or related field. To be eligible for the B. Tech in Mechanical Engineering programme, candidates must hold a good HND certificate (Second Class Upper Division or better) with two years relevant post-qualification experience. Candidates with second class lower division must pass a selection interview to be conducted by the Technical University in addition to two years post qualification experience in a relevant field.

- (iv) Mechanical/Motor Technicians Course Part III or Part II old scheme holders with four (4) or three (3) credit passes in the relevant courses plus four (4) G. C. E 'O' Level passes (English, Mathematics) and any other two subject

OR

- (v) Mechanical/Motor Technicians Course as stated above plus two (2) or more credit passes of SSCE/WASSCE (SHS) (English and Mathematics).

Applicants admitted based on entry requirements (ii and iii) are supposed to go through some bridging course or Pre – B. Tech. programme organized by the department and pass the stipulated courses before enrolled fully on the B. Tech. programme.

• **Bachelor of Technology (B-Tech) Degree in Agriculture (Regular and Weekend)**
(2 years topup)

Entry Requirements

To be eligible for admission to the Bachelor of Technology in Agriculture programme, candidates shall obtain the following qualifications:

- i. Higher National Diploma (HND) in Agriculture or other equivalent certificate in related areas
- ii. Obtain a minimum of Second Class Lower Division
- iii. Worked in an agricultural industry or any other related industry for two years
- iv. Pass an interview conducted by the Technical University
- v. Work experience may be waived for exceptional students with agricultural Science background and a minimum Cumulative Grade Point Average (CGPA) of 3.0 (Second Class Upper Division).

HND PROGRAMMES

FACULTY OF BUSINESS AND MANAGEMENT STUDIES

- HND Accountancy (Regular, Weekend and Evening)
- HND Accounting Technology (Regular, Weekend and Evening)
- HND Marketing (Regular, Weekend and Evening)
- HND Purchasing and Supply (Regular, Weekend and Evening)
- HND Secretaryship and Management Studies (Regular, Weekend and Evening)

FACULTY OF ENGINEERING

- HND Civil Engineering
- HND Electrical/Electronic Engineering (Computer Engineering Option)
- HND Electrical/Electronic Engineering (Medical Engineering Technology Option)
- HND Electrical/Electronic Engineering (Power Systems Option)
- HND Electrical/Electronic Engineering (Telecommunication Options)
- HND Materials Engineering
- HND Mechanical Engineering (Automobile Option)
- HND Mechanical Engineering (Plant Option)
- HND Mechanical Engineering (Production Option)

FACULTY OF BUILT ENVIRONMENT AND APPLIED ARTS

- HND Building Technology
- HND Ceramic Arts
- HND Fashion Design Technology

- HND Textiles Technology
- HND Interior Design and Technology (Wood Technology)

FACULTY OF APPLIED SCIENCES AND TECHNOLOGY

- HND Computer Science
- HND Dispensing Technician
- HND General Agriculture
- HND Hotel, Catering and Institutional Management (Regular, Weekend and Evening)
- HND Information and Communication Technology (ICT)

ADMISSION ELIGIBILITY FOR HND PROGRAMMES

Admission is opened to:

- i. **SSSCE holders** with credit passes (A-D) in English Language, Mathematics and Integrated Science/Social Studies plus credit passes (A-D) in Three Elective subjects relevant to the programme of study
- ii. **WASSCE holders** with credit passes (A₁-D₇) in English Language, Mathematics and Integrated Science/Social Studies plus credit passes (A₁-C₆) in Three Elective subjects relevant to the programme of study
- iii. **CERTIFICATE II HOLDERS:** Certificate II Applicants with Passes in six (6) subjects comprising three (3) core subjects (English, Mathematics and Integrated Science/Social Studies) plus three (3) passes in relevant elective subjects are eligible for HND Programmes
- iv. **ADVANCED LEVEL** holders with credit in at least Five (5) subjects at the GCE 'O' Level (or its equivalent) including English and Mathematics, plus at least two passes in the subjects relevant to the programme of study.
- v. **TECHNICAL SCHOOLS APPLICANTS:** Technical School applicants with Passes in English Language, Mathematics, Integrated Science plus three (3) relevant elective subjects.
- vi. **POST SECONDARY TEACHER TRAINING CERTIFICATE APPLICANTS:** Passes at the final Post-Secondary Teacher Training Examination plus five passes at the GCE O'Level/SSSCE/WASSCE including English and Mathematics.
- vii. **DIPOMA IN BUSINESS STUDIES (DBS) APPLICANTS:** Applicants who hold DBS with Distinction or Credit from GES accredited institutions are eligible for admission to level 200 to pursue Business related programmes at the HND level. DBS applicants who hold a Pass would enroll at level 100. In all cases applicants would be required to have four (4) credit passes in WASSCE/SSSCE/ RSA II including English and Mathematics.
- viii. **MATURE APPLICANTS**
 - a. Must be at least 25 years old.
 - b. Must have at least two (2) years relevant industrial experience.

- c. Must pass a written examination and an interview.
- d. Must show proof of date of birth with any national document which is at least 5 years old at the time of application.

OR

- a. Must be at least 25 years old
- b. Must have at least two (2) years relevant industrial experience.
- c. Must show proof of credit passes in English Language and Mathematics in SSSCE/WASSCE
- d. Must show proof of date of birth with any national document which is at least 5 years old at the time of application.

MATURE CANDIDATES ENTRANCE EXAMINATION

Note: All mature candidates will be expected to pay an additional amount to be determined by the University on or before the day of the entrance examination at the Technical University Campus. This amount covers the cost of the entrance examinations.

PRE-HND (ACCESS) COURSE FOR TECHNICAL AND VOCATIONAL SCHOOL STUDENTS

The National Board for Professional and Technicians Examinations (NABPTEX) has designed an access programme for Technical/Vocational Institute graduates into HND programmes. NABPTEX will conduct a final external examination after which successful applicants shall proceed to enroll in the following HND programmes:

- ✦ HND Building Technology
- ✦ HND Civil Engineering
- ✦ HND Computer Science
- ✦ HND Electrical/Electronic Engineering
- ✦ HND General Agriculture
- ✦ HND Hotel, Catering and Institutional Management
- ✦ HND Ceramic Arts
- ✦ HND Fashion Design Technology
- ✦ HND Textiles Technology
- ✦ HND Interior Design Technology
- ✦ HND Dispensing Technology
- ✦ HND Materials Engineering
- ✦ HND Mechanical Engineering
-

ENTRY REQUIREMENTS FOR PRE-HND COURSES

Applicants should possess a minimum qualification of Intermediate Certificate or its equivalent in the relevant area of study.

ACCESS PROGRAMME FOR SSSCE/WASSCE

In the case of SSSCE/WASSCE Science applicants for Access course, they must have credit passes in three (3) Elective subjects in Science/Vocational/Technical subject area.

PROFESSIONAL PROGRAMMES

PROFESSIONAL DIPLOMA IN COMPUTERISED ACCOUNTING

Entry Requirements

Diploma in Computerised Accounting

PROFESSIONAL DIPLOMA IN BANKING TECHNOLOGY AND ACCOUNTING

Entry Requirements

Diploma in Banking Technology and Accounting

CHARTERED INSTITUTE OF BANKERS (GH) LEVEL 1 – 4

Entry Requirements for HND Programmes

- (i) School Certificate (6 credits) or GCE ‘O’ level with 6 credit in English Language and mathematics, Plus “A” level in 3 subject, 2 which should not be below grade D.
- (ii) WASSCE or SSSCE; 3 core Subjects including Core Mathematics and core English plus 3 Elective from either (1) Business Programme or (2) General Arts Programme (Economics, Government, Science & Mathematics).
- (iii) Minimum 5 Credit passes at the General Business certificate Exam including English Language and Mathematics plus 3 passes at the advanced Business Certificate Exam.
- (iv) Any other equivalent professional certificate

DIPLOMA PROGRAMMES

1. Diploma in Computerised Accounting (DCA) (2-year Programme)
2. Diploma in Banking Technology & Accounting (DBTA) (2-year Programme)
3. Diploma in Electronic Marketing (2-year Programme)
4. Diploma in Business Administration (2-year Programme)
5. Diploma in Public Relations (2-year Programme)
6. Diploma in Procurement & Materials Management (2-year Programme)
7. Diploma in Business Studies (Accounting Option) (1-year Programme)
8. Diploma in Business Studies (Secretarial Option) (1-year Programme)
9. Diploma in Business Studies (Management Option) (1-year Programme)
10. Diploma in Business Studies (Marketing Option) (1-year Programme)
11. Diploma in Business Studies (Purchasing and Supply Option) (1-year Programme)
12. Diploma in Business Studies (Statistics Option) (1-year Programme)

Entry Requirements for 1 – 6: Five (5) SSSCE/ WASSCE passes including English Language and Mathematics/ GBCE passes.

Entry Requirements for 7 – 12 : Four (4) SSSCE/ WASSCE passes including English Language and Mathematics/ GBCE passes.

TECHNICIAN AND ADVANCED PROGRAMMES

- Construction Technicians Course (CTC) Part I
- Construction Technicians Course (CTC) Part II
- Construction Technicians Course (CTC) Part III
- Electrical Engineering Technicians (EET) Part I
- Electrical Engineering Technicians (EET) Part II
- Electrical Engineering Technicians (EET) Part III
- Mechanical Engineering Technicians (MET) Part I
- Mechanical Engineering Technicians (MET) Part II
- Mechanical Engineering Technicians Part III
- Motor Vehicle Technicians (MVT) Part I
- Motor Vehicle Technicians (MVT) Part II
- Motor Vehicle Technicians Part III (MVT III)
- Advanced Blocklaying and Concreting
- Advanced Carpentry and Joinery
- Advanced Cookery (8122)
- Advanced Furniture
- Advanced Painting and Decorating
- Advanced Fashion and Designing
- Advanced Furniture Design & Construction

Entry Requirements

Passes in Intermediate, SSSCE/WASSCE, Part I and Part II of that particular programme.

CRAFT PROGRAMMES/COUNCIL FOR TECHNICAL AND VOCATIONAL EDUCATION AND TRAINING (COTVET) PROGRAMMES

The Technical University also runs programmes of the Council for Technical and Vocational Education and Training (COTVET) at the Certificate II and Advanced levels. The programmes are:

- Agric Mechanics Work
- Autobody Inter/COTVET
- Blocklaying and Concreting Inter/COTVET
- Catering Inter/COTVET
- Electrical Installation Work
- Electrical Machine Rewinding and Repairs
- Fabrication and Welding
- Fashion and Designing Intermediate
- Furniture Craft Inter/COTVET

- General Textiles
- Heavy Duty and Diesel Mechanics
- Industrial Maintenance Technology
- Industrial Mechanics
- Mechanical Engineering Craft Practice
- Motor Vehicle Mechanics Work
- Painting and Decorating Inter
- Refrigeration & Air-conditioning Mechanics
- Small Engines Repairs
- Textiles Technician

Entry Requirements

- SSSCE/WASSCE and JHS certificates

PROFICIENCY CERTIFICATES

- Proficiency in Chinese Language
- Proficiency in English Language
- Proficiency in French Language

SALES OUTLET

Prospective Applicants must purchase Sunyani Technical University ADMISSIONS FORMS from the following centres:

1. The Revenue Office, Sunyani Technical University
2. Regional and District POST OFFICES throughout the country
3. Fidelity Bank, Zenith Bank, Ghana Commercial Bank, Stanbic Bank, Sunyani and all other Branches throughout the Country.
4. Through mobile money short code *447*160# on all mobile phone networks.

COST OF APPLICATION FORMS

- i.
 - i. *Bachelor of Technology Applicants* - GH¢110.00
 - ii. *HND Programmes (Direct Applicants)* - GH¢100.00
 - iii. *HND Programmes (Mature)* - GH¢110.00
 - iv. *Access (Pre-HND), Diploma, Technician and Advanced Programmes* - GH¢100.00
 - v. *Craft programmes and Proficiency Certificates* - GH¢60.00

HOW TO APPLY

ONLINE ADMISSION INSTRUCTIONS

1. Go to admissions.stu.edu.gh on the internet after you have purchased the Sunyani Technical University admissions documents

2. Log onto the Online Admissions system with the E-Voucher Number and Pin
3. Follow steps on the Online Admissions system to complete your application
4. A printed copy of your completed online application must be enclosed in your envelope before posting together with photocopies of Certificates or Results slips to be returned to: The Registrar, Sunyani Technical University, P. O. Box 206, Sunyani

COMPLETED FORM

A completed ADMISSION FORM should be sent to the Post Office together with photocopies of certificates or result slips and in the case of Mature Applicants, recommendation letter from employer, birth certificates or JHS Certificate should also be attached and sent to the address below:

THE REGISTRAR,
SUNYANI TECHNICAL UNIVERSITY,
P. O. BOX 206,
SUNYANI – BONO
REGION

For general enquiries contact the Admissions Secretariat on 0352023278/0352027052 or 0501512556
